We highly recommend hiring a professional photographer and videographer for your wedding. We do not have any affiliation with these companies. We have found that their work is excellent and their team is always reliable. Please contact your wedding coordinator for more details.

**Videographer**

If you’re interested in a complete multimedia package with both professional photos and videography, we highly recommend the services of Jonathan Yonkers, whose wedding cinematography at the Springs Resort & Spa can be previewed on our Weddings Home Page or at [www.vimeo.com/63819407](http://www.vimeo.com/63819407).

Officiant

Marrying in Costa Rica is often easier than marrying in the states. You do not have to be in the country for any specific amount of time and the ceremony is legal worldwide. However, you will need to contact the officiant prior to your trip to Costa Rica.

We recommend Marcelo Galli for the ceremony. He will produce all of the paperwork, perform the ceremony, file the paperwork, translate and send you the documents once they have been processed. He speaks excellent English and performs a very nice ceremony. The paperwork can take up to 12 weeks to be processed. Please keep in mind, you will need to pay him directly and he only accepts checks or cash. Contact Marcelo at mgallitaylor@gmail.com. He will also do wedding vow renewals.

Please keep in mind, you will need to hire and pay the photographer and officiant directly and they only accept checks or cash.
